PRODUCT LEAFLET

BalanceBox 400

BBW.0400-66 BalanceBox 400 for touch screen 38 -66 kg (incl. mount max. VESA 800x400)

Last year, SmartMetals introduced a completely new line solutions for touch screens on the ISE. These solutions are used in a increasing degree in educational facilities, which moved us for the following development. SmartMetals introduces in the Amsterdam RAI a new line-up for interactive whiteboards and a fully renewed Tip&Touch stand which can be adjusted manually (by gas spring) or motorized (electrically controlled). With these solutions SmartMetals keeps her number one position in innovative educational solutions.
